## INSTALLATION STEPS

**Step1:**Remove the plastic ring from the E26 socket, attach the glass shade and secure it with the plastic ring.

**Step2:**Drive the mounting screws into the mounting bracket and attach it to the outlet box using two outlet box screws. Connect the wires: Black to Black, White to White, Green to Green. Secure the connection with wire nuts. Carefully tuck all wires back into the outlet box.

**Step3:**

Place the fixture on the wall by aligning the protruding mounting screws through the appropriate holes and tighten the fixture to the wall using two decorative nuts. Installation complete
