## FEATURES & BENEFITS

- Knockouts on fiberglass boxes are complete, reducing drafts and easily removed with wire for no tools installation
- Device holes are pre-tapped and tapered for secure device installation and drastically reduce device pull out
- Fiberglass boxes feature factory installed Speed Clamps to provide a secure hold on installed wiring
- Offset gauge marks on the box give positive stop for the proper wall thickness
- Leveling ribs position the face of the box parallel to the wall surface
- High Strength Fiberglass Reinforced Polyester Material
- Non-distorting in high heat, impact resistant in cold temps
- Machine tapped device holes for faster installation
- ETL Listed and carries a 2-hour fire rating
