## FEATURES

### INTENDED USE

Interior designers recommend hanging the pendant light in the dining room, kitchen Island, living room, bedroom, cafe, bar, club, balcony, or hallway.

### CONSTRUCTION

pendant lights are designed with hand blown white frosted glass shade and brushed nickel finish, which features classic and modern influences to blend anywhere in your home.

### OPTICS

This hanging pendant ceiling light includes all mounting hardware for quick and easy installation. E26 bulbs are recommended, but not included.

### ELECTRICAL

**MEDIUM BASE SOCKET** - The pendant features an E26 socket that is compatible with a variety of incandescent, LED, CFL and halogen bulbs (60W max, sold separately).

### INSTALLATION

**EASY TO INSTALL.** This hanging pendant ceiling light includes all mounting hardware for quick and easy installation.

### LISTINGS

ETL certified to be brighter than existing fixtures in your home.

### WARRANTY

3-year limited warranty. Complete warranty terms located at: [www.epoweron.com](http://www.epoweron.com)

### NOTE:

Actual performance may differ as a result of end-user environment and application. All values are design at typical values, measured under laboratory conditions at 25C. Specifications subject to change without notice.

## INSTALLATION STEPS

### Step1:

Remove the plastic ring from the E26 socket, attach the glass shade and secure it with the plastic ring.

### Step2:

Drive the mounting screws into the mounting bracket and attach it to the junction box using two junctionbox screws. Connect the wires: Black to Black, White to White, Green to Green. Secure the connection with wire nuts. Carefully tuck all wires back into the junction box.

### Step3:

Place the fixture on the wall by aligning the protruding mounting screws through the appropriate holes and tighten the fixture to the wall using two decorative nuts. Installation complete
